Worship at Home

Prepare a space that is most comfortable for you. You can worship at your kitchen table, coffee table, on the rug in the kids' room, in the sun room, your car or outside. Enjoy a cup of coffee or tea, or have a bowl of apple slices or snacks on hand! Worshipping at home gives you the opportunity to sit in your favorite chair or wrap up with your favorite blanket as you center yourself to learn and respond to God's Word.

Creating an Altar Space at Home

Green is the color for Pentecost. Find a scrap piece of green cloth, an old green shirt, a cloth napkin/towel, or even a piece of green paper and place it in the middle of your kitchen table or coffee table.

Add a small candle to light as you worship.

Add a small cross to the space. This could be a cross from your wall, a Necklace charm, or one made from paper or scrap wood.

What relief organizations are working in these areas? What are they doing to alleviate the problem?

How can you be a part of the solution?
